

# myiN2L™ FAMILY PROGRAM

Our community has an innovative computer system by It's Never 2 Late™ and we would like your help customizing it so your loved one can enjoy it. The iN2L touchscreen computer is programmed for activities, games, therapy, reminiscing, music, virtual travel and so much more.

All you need to do is:

✔ Go to [www.myiN2L.com](http://www.myiN2L.com) to customize the button we set up for your loved one on the iN2L computer

✔ Login using the information below:

**Username:**

**Password:**

*Note: if you have trouble logging in, please contact the point person at the community (whoever provided the log in information)*

✔ Follow these steps to choose existing iN2L content or add favorite websites or pictures your family member will enjoy:

1. Select any **ADD CONTENT** button to add up to 14 programs behind the user button
2. When finished, you can **PREVIEW** to see how the content will appear behind the user's button.
3. Select **I'M DONE**. In 30 minutes or less, the buttons will appear under the user's button on the iN2L computer at the community.

Share your family member's story!

Choose favorite programs such as Crosswords, Puzzles or the Jukebox!

Upload photos from a recent family event!

**It's Never 2 Late**  
Dignity through technology
